MAHENDRA ENGINEERING COLLEGE

(AUTONOMOUS)

Salem-Tiruchengode Highway, Mahendhirapuri,
 Mallasamudram, Namakkal Dt – 637 503
 Website: www.mahendra.info

ABOUT THE COLLEGE

Mahendra Engineering College was started under the aegis of Mahendra Educational Trust in the year 1995 by Shri.M.G.Bharathkumar, a renowned educationalist and a philanthropist with a noble intent of educating the underprivileged in Salem and Namakkal districts. Located about 30 kms away from Salem, this massive campus stands on a sprawling 135 acre site on Salem – Trichengode Highway. The college is an Autonomous Institution, affiliated to Anna University, Chennai, approved by NAAC with A grade and AICTE. The college offers 11 Undergraduate and 11 postgraduate courses in Engineering. The college has got NBA accreditation for UG programmes. The students are offered excellent engineering education by a team of dedicated faculty members in a highly conducive academic environment. The training offered to enhance the all round personality of the students and the development of their entrepreneurial skills are complementary to the acquisition of technical knowledge. We make our students competent enough to face the global challenges and to emerge as great achievers.

ABOUT THE DEPARTMENT

The Department of CSE was established in 1995. It has proficient and devoted faculty members to cater to the academic activities. The department along with its

highly skilled faculty members started functioning right from the debut and engages actively in teaching and research in all current areas of Computer Science and Engineering. The department is well equipped with laboratories with the state-of-the-art facilities to meet the curriculum requirement in making the student industry-ready. The students acquire their knowledge through the societies like IEEE, CSI, and IET.

SCOPE

The main objective of this Workshop is to provide a theoretical and hands on practical experience using Data Analytics Tools. Awareness of Challenges faced by Dengue eradication is provided. Also this workshop deals with how to analyze various tools for analytical purpose.

WORKSHOP TOPICS

- Dengue: Causes, Symptoms and treatment in Tamilnadu
- Dengue: Precaution and Prevention activities
- Challenges of Big Data Analytics in Healthcare
- Major Big Data Analytics tools – Installation and Analytics
- Analysis of Dengue data sets using R Programming

ELIGIBILITY

Faculties or research scholars of AICTE approved institutions and are invited to participate. Registration form should be forwarded through the sponsoring authority.

SELECTION CRITERION

The total number of participants is limited to 50. The selection of participants will be based on first come and first serve basis.

REGISTRATION DETAILS

- Registration Fees: Rs.200/- Demand Draft to be drawn in favour of "The Principal, Mahendra Engineering College" payable at Namakkal.
- Spot registration can also be encouraged.

HOW TO REACH US

Rail route: The nearest railway station is Salem which is 30 kms and Erode which is 40 kms. By Road: 17 kms from Tiruchengode and 30 kms from Salem.
